SECTION 9: UNIFIED PAYMENT INTERFACE (UPI)

Investors are advised to refer circular SEBI/HO/CFD/DIL2/CIR/P/2018/138 dated November 01, 2018 for details relating to use of Unified Payments Interface (UPI) as a payment mechanism with Application Supported by Blocked Amount (ASBA) for applications in public issues by retail individual investors through intermediaries (Syndicate members, Registered Stock Brokers, Registrar and Transfer agent and Depository Participants).

Considering the time required for making necessary changes to the systems and to ensure complete and smooth transition to UPI payment mechanism, the proposed alternate payment mechanism and consequent reduction in timelines is proposed to be introduced in a phased manner as under. The proposed process would increase efficiency, eliminate the need for manual intervention at various stages, and will reduce the time duration from issue closure to listing by up to 3 working days.

Phase I: From January 01, 2019, the UPI mechanism for retail individual investors through intermediaries will be made effective along with the existing process and existing timeline of T+6 days. The same will continue, for a period of 3 months or floating of 5 main board public issues, whichever is later.

Phase II: Thereafter, for applications by retail individual investors through intermediaries, the existing process of physical movement of forms from intermediaries to Self-Certified Syndicate Banks (SCSBs) for blocking of funds will be discontinued and only the UPI mechanism with existing timeline of T+6 days will continue, for a period of 3 months or floating of 5 main board public issues, whichever is later.

Phase III: Subsequently, final reduced timeline will be made effective using the UPI mechanism.

RIIs bidding through Designated Intermediaries should note that with the introduction of UPI as a payment mechanism, there are four channels of making applications in public issues available to them in Phase I (i.e. from January 1, 2019 for a period of three months or floating of five main board public issues, whichever is later). The four channels for making applications in public issues available to RIIs bidding through Designated Intermediaries are as follows:

Channel I	Channel II	Channel III	Channel IV
RIIs may submit the Bid cum Application Form with ASBA as the sole mechanism for making payment either physically (at the branch of the SCSB) or online. For such applications the existing process of uploading the bid and blocking of funds in the RIIs' account by the SCSB would continue.	RIIs may submit the Bid cum Application Form online using the facility of linked online trading, demat and bank account (3-in-1 type accounts) provided by Registered Brokers.	RIIs may submit the Bid cum Application Form with any of the Designated intermediaries, along with details of his/her ASBA Account for blocking of funds. For such applications the Designated Intermediary will upload the bid in the stock exchange bidding platform and forward the application form to Designated Branch of the concerned SCSB for blocking of funds.	RIIs may submit the Bid cum Application Form with any of the Designated Intermediaries (other than SCSBs) and use his/her UPI ID for the purpose of blocking of funds.

For Phase II and Phase III, RIIs will have the option to use only Channel I, Channel II and Channel IV (as described above) for making applications in a public issue.

Process for RII application submitted with intermediary with UPI as mode of payment

Bidding and validation process

- Before submission of the application with the intermediary, the RII would be required to have / create a UPI ID, with a maximum length of 45 characters including the handle (Example: InvestorID@bankname).
- RII will fill in the bid details in the application form along with his/ her bank account linked UPI ID and submit the application with any of the intermediary.
- The intermediary upon receipt of form will upload the bid details along with UPI ID in the stock exchange bidding platform.
- Once the bid has been entered in the bidding platform, the exchange will undertake validation of the PAN and Demat Account details of RII with the depository.
- Depository will validate the aforesaid bid details on a real time basis and send response to stock exchange which would be shared by stock exchange with intermediary through its platform, for corrections, if any.

For the last day of bidding, the SMS may be sent out the next working day.
